

Dear Partners:

We would like to inform you of several **important updates to Princess policies for the MEX market** that will come into effect on September 2, 2026. These updates include changes to the final payment due date, deposit schedule, and cancellation schedule. The updates apply to cruises of any duration and in all destinations.

The current deposit, final payment, and penalty schedule terms are reflected for each booking in the online booking document generated when making the reservation through Mundomar Cruceros.

What is changing?

Final Payment Due Date

Final payment must now be made 125 days prior to departure for all applicable voyages. This applies to all voyage lengths, including World Cruise and Pacific Circle Cruise segments. Reservations will be automatically cancelled if final payment is not received by the due date.

Deposit Schedule

The standard deposit schedule has been updated. The deposit must be paid for all passengers traveling on a cruise/cruisetour. The deposit amount will vary depending on the itinerary and cruise length.

- World Cruise / Pacific Circle Cruise (including any segment of 45 days or more): 30% of the cruise or cruisetour fare for all passengers.
- All other cruises, as indicated below.
- No deposit is required for 3rd and 4th passengers, except on the World Cruise.

Cancellation Terms

The cancellation schedule has also been updated to align with the new 125-day final payment due date. An important change is that 100% cancellation fees will now apply 60 days or less prior to departure.

All passengers must pay cancellation fees (including third and fourth passengers) if they cancel their cruise, cruisetour, or hotel package. Cancellation fees are calculated based

on the fare, including taxes and government fees, mandatory cruise fees, and Princess Plus and Princess Premier packages; excluding transfers, fuel surcharge, Princess shore excursions, and most special services.

The amount of cancellation fees varies depending on the length of the cruise or cruisetour and when the cancellation occurs, as illustrated in the tables below for all new bookings made on or after September 2, 2026. Some promotional fares include non-refundable components, including the deposit. Please review the fare terms and conditions when making the booking.
